Mason & Stokes Standard Traditional Coffin

The light oak veneered coffin is our usual coffin, which we include in our charges.

All of our wooden coffins are sourced from FSC certified companies.

Raised Lid, Panel Sided Coffin

Light oak veneered coffin with raised lid and panel sides, pictured with Oscar handles. Also available in mahogany veneer.

Solid Oak Raised Lid, Panel Sided Coffin

Solid Oak Coffin with raised lid and panel sides, pictured with Oscar handles.

Mahogany Coffin

Mahogany veneered coffin.

Cromer Willow

Natural colour willow coffin with rounded ends, pictured in natural, also available in light.

Kingsted Willow

Light colour willow coffin with rope handles. Also available in natural.

Stockberry Willow

Natural coloured willow coffin in traditional shape with rope handles. Also available in light.

Highsted Willow

Light coloured willow coffin in a traditional shape, also available in natural.

English Willow

Pictured is the English Willow in Light & Natural with Rounded Ends. Made from English willow. Also available in traditional shape and other natural colours.

English Willow Bespoke Bands or Panels

The panels and bands on the coffin can be painted or dyed for a bespoke design. Pictured is the English willow in traditional shape with purple bands.

Pandanus Traditional Shape

Pandanus is a highly renewable and sustainable material, similar to "sea grass" but as it is grown on land the harvesting process does not affect maritime wildlife.

All of the coffins are 100% natural and biodegradable, made from sustainable and renewable materials, they are suitable for burial or cremation. The full range can be found on their website www.ecoffins.co.uk

Cardboard Coffins

Cardboard coffins from Ecoffins are manufactured in the UK from specially constructed corrugated cardboard materials, that are produced from unbleached pulp containing a minimum of 70% recycled paper, plus wood pulp sourced from reputable sustainable forests.

Cardboard Woodgrain

Cardboard coffin with a woodgrain effect printed directly onto the coffin, traditional shape with rope handles.

Cardboard White

White Cardboard coffin with rope handles, traditional shape, also available in manila.

Traditional Wood

Sourced from FSC-accredited companies using wood from sustainable sources. The designs are printed onto an environmentally friendly paper wrap. Suitable for burial or cremation. Pictured design "Field of Memories".

Cardboard Coffins

Made from 100% recycled cardboard. The images are printed and applied to the coffin on a biodegradable material wrap. Suitable for burial or cremation. Pictured design "Blushing Rose".

Classic

Offering an alternative to the fully wrapped wooden coffin, the Classic Coffin's range combines an individual design with a smart varnished wooden trim around the top and bottom of the coffin. This is suitable for both burial and cremation. Pictured design "Spitfire" around the top and bottom of the coffin. This is suitable for both burial and cremation.

There is a wide choice of designs available at www.colourfulcoffins.com or you can personalise the design using your own images. The in house designers at colourful coffins can help you put together your design.
